## THE MONOGRAM OF THE UNIVERSITY

The pinnacle of the famous Rajivlochan temple at Rajim in Raipur district (C.G.) is there in the middle of the monogram of Pt. Ravishankar Shukla University. It symbolizes the glorious cultural heritage of the ancient South Koshal now known as Chhattisgarh.

The rising sun is the symbol of Prajapati knowledge and material knowledge in the Vedantic thought. It stands for the supreme knowledge.

On both sides of the pinnacle wavy lines are drawn that indicate the Ganga of Chhattisgarh, the great river Mahanadi symbolized as the ancient name of the river Chitrotapala.

On the lower part of the crest the saplings of wheat and paddy spread on the left and right sides of the crest in a semicircular way prove the economic source of Chhattisgarh's inhabitants. They reveal the rural nature of the local culture.

All these symbols are surrounded by a big sphere that signifies the earth. The name of the University is written in this circle both in Nagari and Roman scripts, which moving from the left to right encircles the central circle.

The big circle like the ears of a fan is based on a hemispherical pedestal. Its shape suggests the symbolic expression of the swan, which is used in Indian thought as the knowledge. The motto of the university inscribed in Nagari script is selected from the Agni Sukta of the Rigveda "*Agne Nai Supatha Rae*" which means that "O Fire ! take us to prosperity through good path".

## WHAT IS RAGGING ?

### **Ragging may include:**

Display of noisy, disorderly conduct, teasing, excitement by rough or rude treatment or handling, including rowdy, undisciplined activities which cause or likely to cause annoyance, undue hardship, physical or psychological harm or raise apprehension or fear in a fresher, or asking the applicants to do any act or perform something which such an applicant will not do in the ordinary course and which causes him/her shame or embarrassments or danger to his / her life.

The Karnataka Education Act. 1983 (Karnataka Act. No. 1 of 1995) Section 2(29) defines ragging as:

"causing, inducing, compelling or forcing an applicant, whether by way of a practical joke or otherwise, to do any act which detracts from human dignity or violates his person or exposes him to ridicule or forbear from doing any lawful act, by intimidating, wrongfully restraining, wrongfully confining or injuring him or by using criminal force to him or by holding out to him any threat of such intimidation, wrongful restraint, wrongful confinement, injury or the use of criminal force."

Ragging is found to take the following forms (the list is only indicative and not exhaustive):

### **Crisp Orders:**

- to address seniors "Sir"
- to perform mass drills.
- to copy class notes for the seniors.
- to serve various errands.
- to do menial jobs of the seniors.
- to ask/answer vulgar questions.
- to look at pornographic pictures to "shock" the fresher out of their innocence".
- to force to drink alcohol, scalding tea, etc.
- to force to do acts with sexual overtones, including homosexual acts.
- to force to do acts which can lead to physical injury / mental torture or death.
- to strip, kiss, etc.
- to do other obscenities

It can be seen from the above that most of them, except the first few, constitute perverse forms of ragging .

### **Punishment for those who are found guilty of participation in or abetment of ragging:**

1. Cancellation of admission.
2. Suspension from attending classes.
3. Withholding/withdrawing scholarship/fellowship and other benefits.
4. Debarring from appearing at any test / examination or other evaluation process.
5. With holding results.
